## Regional Medical Director

## How we help agents

**Erica Savage-Jeter, M.D., MBA**

Regional Medical Director  
North & South Carolina's Market

The CenterWell Regional Medical Director (RMD) supervises health care services and monitors patient experience and health outcomes to ensure each center meets our quality of care standards. The RMD builds strong relationships with specialists and other providers focused on serving seniors to establish a referral network for patients. In addition, the RMD oversees CenterWell's wellness programming.

A native of South Carolina, Dr. Erica Savage - Jeter completed her undergraduate degree at Wofford College. She completed her medical degree at University of South Carolina School of Medicine and finished her Family Medicine training at Palmetto Health Family Medicine Residency program in Columbia. Dr. Savage-Jeter then went to further her studies by attending Auburn University and obtaining a master's degree in business administration.

In addition to putting your clients first, we help you by:

- Integrating population health analytics, social support services, and chronic care management into our care model to ultimately drive improved patient health outcomes
- Hosting and participating in senior-focused grassroots marketing and community engagement events
- Inviting you to use our activity centers to conduct educational events and sales seminars with your members and prospects
